

Dear GEAA members and friends,

Our fundraiser at [California Pizza Kitchen](#) last month was a great success! CPK reported over \$1,250 in sales that day from GEAA members and friends, making the CPK/GEAA fundraiser their second most profitable ever. They were so happy with us that they catered our Legislative Wrap Up party at Joan Grona's gallery at no cost with a very generous supply of pizzas and snacks.

It was great to see so many of our members and friends enjoying pizzas, wine and great company at both events. We are extremely thankful that CPK agreed to host us and donate a portion of their proceeds to our organization, but without such an enthusiastic group of supporters, the event would not have been a success.

Thank you for your continued generosity in support of our mission and in keeping Central Texas a great place to live.
