Dear teachers,

We hope you're enjoying the summer! Please take a look at this grant opportunity from the National Education Association - we hope some of you will take advantage of it. As always, let me know if we at the Aquifer Alliance can be of any help to you or your students.

**[National Education Association Invites Grant Applications From K-12 Teachers for Environmental Education Projects](#)**

The **[National Education Association](#)** is offering Green Across America grants of up to \$1,000 each to help K-12 teachers across the United States implement their innovative education program, activity, lesson, or event to increase environmental awareness, create positive learning programs, and excite students about ways to create a better planet. ...

Have a great day-
