

Dear GEAA members and friends,

GEAA and our San Antonio member groups are working hard to make sure that the Aquifer Protection Initiative (Prop 1) and the Linear Parks Initiative (Prop 2) win approval in the November 2nd election. In addition to telling all of your friends to vote YES on Prop 1 & Prop 2, we have lovely yard signs for you to display. We need your help in getting these signs out on the streets ASAP.

You can pick up signs at the following locations:

You can call Lisa at 210.320.1457 to let her know you are coming and she will have your order ready.
