

The breakfast to benefit GEAA hosted this morning by Carol and Fred Fisher was a resounding success. The eggs, pancakes and home made breads were delectable, the company most enjoyable - and \$852.00 was raised for GEAA! Thank you so much to everyone who attended and whose generosity made this event a great success. Such a show of support is indeed heartening. And, special thanks to Fred and Carol for being such wonderful cooks, and for opening up their home to benefit GEAA.

Have a great weekend,

Annalisa Peace
